

Hi Parents!

Summer Camp was an amazing and packed week, filled with friendships, spiritual challenges, games, music and food. I am so glad your child was able to be a part of such a life-changing experience.

Here are a few highlights from this year's camp:

- We were at Adventure Mountain (<http://www.foresthome.org/camps-and-retreats/youth/adventure-mountain/>).
- Our theme this year was *Gone Spuddleplunking*: The adventure where creativity and imagination meet reality!
- Our speaker was Sporx. He helped kids see our oikos find out who we say Jesus is by what we say and do.

Here's where you can go to view and download video and pictures:

We've encouraged your child to spend time with you this week before they jump back into their world. We've asked them to escape with you to talk about their experience at camp. Maybe that's over dinner at their favorite restaurant (mine's Chuck E Cheese). Maybe you and your family can take a walk around your neighborhood. Or hang out at your local park — either way, I can't wait for you to hear their stories and share their decisions with you.

Here are a few things you could talk about, a few questions to get you started:

- What struck you about Sporx's messages?
- Which Bible story was your favorite?
- Who was your counselor? What did you learn from him/her?
- How was the lake?
- Did you make any spiritual decisions this week?
- What song was the most meaningful to you? Why?
- What did you do during the free time?
- On a scale of 1 to 10, how good was the food at camp?

We're trusting God the decisions made at camp will last for a lifetime. Thanks for sending your child to 5th & 6th Grade camp at Forest Home — it is such a worthy investment!
